# What do the students think?

How do you feel about the Jumpstart Program?

“I am feeling great about this program and I think this is very good program for students who can not go direct to college or who need help after ESL classes to get into college.”

# What do the students think?

How do you feel about the Jumpstart Program?

“I feel great! I am lucky to be here because I have learned helpful skills that will help me to move forward in my future classes. Therefore it feels right to be here.”

# What do the students think?

How do you feel about the Jumpstart Program?

“The jumpstart program is helpful for our future. It makes easy for an ESL student to start their career path. When we were in ESL classes we had this kind of obstacles of being scared like how are we going to make it through credit classes. But it makes things easy for us to join the credit classes with out noticing that we are in credit class. Finally, after taking this program I understand what to expect in credit classes or future college courses.”

# What do the students think?

How has the Support Class helped you this quarter?

- “It gives me lots of information about other resources. Also, it helps me to get better grades for other classes.”
- “Due to the Support Class I improved my grammar, got by heart many new words, identified my academic and career goal. Moreover, I feel myself more confidently in my ability to succeed in HCC.”
- “It helps psychologically a lot.”

# What do the students think?

Would you recommend this program to your friends?

“Yes, I would recommend this program to my friends because every one should know about this program and take benefit. This is a good opportunity to success after ESL classes. I saw lots of students drop college after ESL, because they do not get to college level and can not jump to college. Thank you for giving this opportunity and I will always appreciate, who gave me the chance to be success in my life.”

# What do the students think?

Would you recommend this program to your friends?

“I would recommend for my friends to take this program because I know how much it led me to my other credit classes. I know for sure I wouldn't do with out this program. So I'm recommending to my friend and other students who are interested taking this program that they should do so.”

# What do the students think?

Would you recommend this program to your friends?

“Yes. I think that this program is an excellent opportunity to success. They give us the chance to involve in credit classes, and that encourages students to continue with the credit classes.”
