## Feed back from previous Boot Camp Graduates:

- Yes, every instructor, and I MEAN EVERYONE should take this class.
- I will recommend this class to everyone who is going into the teaching career.
- Thank you so much for everything you have taught me in this last week. I feel much more prepared for
- I don't know how I would've survived my first quarter without it.
- Absolutely – I think this course will make a huge difference in my ability to teach effectively.
- Lesson design and delivery [was the most valuable part of the course].
- Meeting other faculty and getting feedback from them on what works and doesn't work in their classrooms.
- It was my first introduction to the teaching profession. I particularly thought it was valuable that the course
- Was directed towards the adult learner and community college.
- Very Good tips & ideas on teaching & learning styles. How to and why of a syllabus & Lesson Plan
- Wow, where to start. It really has been an awesome experience. Everything has been great.
- I think this course will make a huge difference in my ability to teach effectively.
